This offer is exclusive to the listed items and does not include a claim for free installation and / or commissioning on the customer side unless otherwise stated in the offer. On request, we will gladly make you an offer for additional services, which are carried out by an ECOROLL application engineer.

The stated delivery times are the average delivery times after receipt of the written order by ECOROLL AG and after the conclusion of the final technical clarification and, if necessary, approval by the customer. Subsequent modifications or technical clarifications may lead to additional time requirements. Technical issues will be clarified with the customer, who, on his part, is obliged to provide the required information in a short term. This means that the respective delivery time is still based on the average delivery times for the product, but can differ in some cases according to the individual requirements.

We deliver according to our effective terms of sales and delivery, available at [www.ecoroll.de/en/terms-and-conditions.html](http://www.ecoroll.de/en/terms-and-conditions.html).

**General remark REACH**

Our products may contain the following substances from the current candidate list in concentrations of more than 0.1% by weight: lead (7439-92-1, EG 231-100-4). Our packaging does not contain any substances from the current candidate list in concentrations greater than 0.1% by weight. We refer to the current status of the SCIP list at the time of delivery.

Best regards,

**ECOROLL AG Werkzeugtechnik**
